

MEET THE TEACHER

Hello! My name is Heather Pope. I have been the 2 year old lead teacher at Play & Grow since 2015. I am also the Director for the Play & Grow program. I first worked at Rose's Gymnastics in college as a tumbling and cheer coach. I also taught the preschool and kindergarten gymnastics classes.

After completing my B.S. in physical education at ECU. I taught K-5 physical education for 8 years. During that time I also completed my MAEd and taught staff development workshops across North Carolina for NCAAHPERD. I am a mother of two and I try to give each of my students the love and attention that I want my own children to receive from their teachers. I look forward to every school year of fun, learning, and growing!
